Words That Kill / Palabras Que Matan 2011

Interactive Project

Not only do arms destroy mankind. Like arms, the use of the word and content may kill. We dress up evil with an apparent good.

The use of power, ill interpretations, and the desire to hurt with the manipulation of words. Memory saves the dialogues we have been shot at with to wound us. We lie for the benefit of our ambitions.

No solo las armas destruyen a los humanos. Como las armas el uso de la palabra y los contenidos tambien matan. Disfrazamos el mal con un bien aparente. El uso del poder, las malas interpretaciones, y el deseo de hacer daño con la manipulación de la palabra.

La memoria guarda los diálogos con que nos tiraron para causarnos heridas. Es otra forma de morir lentamente en vida. Mentimos para beneficio de nuestras ambiciones. El uso de la palabra es como la estructura de un edificio y el lenguaje, su base; jugamos a las palabras, y por momentos la lengua te salva o te mata.

Si lo que quieres decir no es mas bello que el silencio, mejor calla. Hay gente que te desnuda con la palabra y otros que dejan pueblos mudos.
